SUMNER TO RECEIVE HONOR

Shelton State president Leo Sumner will receive the Doctor of Laws Degree from Livingston State University during Livingston's summer commencement. This is a great honor to President Sumner and Shelton State Community College.

The commencement ceremony will take place on the Livingston campus on August 6, 11 a.m. A reception will precede the ceremony at 9:30 a.m. All faculty, staff, and students at Shelton State are invited to attend these ceremonies.

SHELTON WILL RECEIVE A FACE-LIFTING this fall.....hopefully. For a look at the "new" Shelton State, go by Dean Howington's office. Dr. Bethany Engle, Shelton art instructor and well-known Tuscaloosa artist, has done an outstanding job of designing the new front of the Junior College Division.

ATTENDING SHELTON IN THE FALL FOR FIRST TIME? Freshman orintation for Fall quarter will be held August 3, 6, and 10. If you will attend Shelton for the first time this fall, you need to call the college or come by Dean Lee's office to schedule an orientation session on one of these dates.

EARLY REGISTRATION FOR FALL QUARTER WILL BE AUGUST 17, 18 AND 19. CIRCLE THOSE DATES TO BE SURE OF THE CLASSES AND TIMES YOU WANT.

ADN GRADUATION

Eighteen nurses will graduate on Thursday, September 1, in the first class in the Associate Degree in Nursing program. The ceremony will be held at 7 p.m. at the Fire College auditorium.

KYNARD NAMED DEAN

Edward Hugh Kynard has been named the new dean of instruction at the Technical Division, replacing Hubert Worthy who retired June 30. Kynard is the chief instructor for the department of welding and has been with Shelton State since 1971.

He holds a BA degree from Athens State and is currently pursuing a masters degree from the University of Alabama in Birmingham.

NEWS FROM THE FIRE COLLEGE ABOUT CIGARETTE SMOKING

One of the bills floating around the Congress these summer days is one that deals with fire-safe cigarettes. Figures show that in 1981, 9% of all fires were caused by smoking and 27% of fire deaths were caused by smoking. How's that for a hot issue!
